GENERAL - Auto Glass Now reserves the right to have different discounts to different customers' accounts and insurance companies. Molding, gasket, clips, and weather strips are an additional charge if required for installation. We are not responsible for lost or damaged articles left inside the vehicle or any decals left on the windshield. Do not leave valuables. Auto Glass Now is not responsible for vandalism to vehicles left outside of the building prior to work starting. There will be a minimum \$20/day storage charge on vehicles left more than 48 hours after notification of completion. An expressed mechanic's lien is acknowledged to secure the amount due, including storage fees and other expenses incurred for removal of vehicles left on-site. All charges are C.O.D. unless prior written credit approval is obtained. There is a 20% handling charge on returned or canceled items.

CAUTION: As a courtesy to our customers, Auto Glass Now will attempt to vacuum visible excess glass from your vehicle. However, Auto Glass Now is not responsible for the removal of ALL glass and any extra cleanup of your vehicle. Please be advised that there may be glass particles not immediately visible. Please take precautions to avoid any injury.

WARRANTY EXCLUSIONS - This warranty does not cover damage to glass due to vandalism, theft, accident or negligent conduct, acts of God and/or rock chip/s, or any other damage not involving defective workmanship or materials. Under no circumstance shall Auto Glass Now be liable for incidental or consequential damage. Auto Glass Now is not responsible for damage to aftermarket products that may be installed on your vehicle (i.e.

Remote starters, alarms, radios, TV antennas, or tint) This warranty does not cover leaks, stress cracks, or related pre-existing damage in connection with installations to vehicles having damage on the pinch weld. Auto Glass Now will use commercially reasonable efforts, where possible, to advise you of the existence of such damage or rust prior to removal of existing glass. Sometimes rust is not noticeable upon initial inspection; Auto Glass Now will inform you immediately upon discovery. . Windshield removal process involves working in the area near the cowl and dash. Due to the age and condition of your vehicle and/or the amount of heat and sun damage to those areas, windshield removal may result in your dash or cowl cracking/breaking. Such pre-existing conditions are not always visible prior to removal of your windshield. Auto Glass Now is not responsible for this damage if it occurs.

Tempered Glass: Broken side windows, back glasses, and vent glass may cause small glass particles or debris to fall and lodge into the regulator, trunk, motor or door latching mechanism. This can happen during the time of breakage, while driving after breakage, during removal and installation and while driving after successful installation. Auto Glass Now is not responsible for this consequential damage. A door, trunk or hatch latch specialist may be required at customer's expense. Warranty is NULL and VOID if repairs or replacement are completed by another repair facility without notification to, and prior authorization from, Auto Glass Now. This warranty does not cover used glass, customer's supplied glass and labor only jobs. We use only industry approved retention tape and are not responsible for any paint peeling.

LIFETIME WARRANTY - All our automotive glass is warranted against defects in material and workmanship for as long as you own the vehicle in which the glass was installed. All such defects must be brought to the attention of Auto Glass Now within 30 days of the discovery of the defect. We are not responsible for any damage that results from your delay in notifying us within 30 days of discovering the defect. Truck sliding back glass is warranted against defects in material and workmanship for one year from the date of installation, per the invoice. The original receipt is required to be presented at time of warranty claims. In the event damages occur to your vehicle during installation, Auto Glass Now reserves the right to inspect the damage prior to any warranty claim. Should you opt for your own repair facility. To exercise your rights under this warranty in an expedited fashion, either call our customer service line at 800-300-8884 or the Auto Glass Now store where work was originally performed. *Mobile service may be limited on a warranty repair.*

CHIP REPAIR Disclaimer - The windshield chip repair process is not designed to make the damage disappear; it is only to attempt to stop the damage from spreading. However, there is a possibility that the damage may spread. Any amount already paid will be applied toward the total replacement cost of a new windshield by Auto Glass Now. If insurance paid for repair, you will be responsible for any deductible that may apply.

POST INSTALLATION INSTRUCTIONS - After installation, as adhesive continues to cure for 48 hours do not utilize a high-pressure car wash. Some vehicles that have ADAS (Advanced Driver Assistance System) may require recalibration by the dealer after windshield replacement. Recalibrations completed by Auto Glass Now are warranted for Thirty days after recalibration or the next recalibration event, whichever occurs first.
